

MichALL
SPRING MEETING
May 16, 2008

Please join us in Grand Rapids for our exciting and informative Spring Meeting.

The morning program highlights the AALL Authentication Project. Mary Alice Baish, AALL Acting Washington Affairs Representative, will discuss the AALL Authentication Project which discusses permanent access to electronic information. Following the keynote presentation by Ms. Baish, there will be a panel discussion on the need for legislation of this type to be enacted in Michigan. As more and more legal information “goes electronic” it is imperative that permanent access to legal information is made available to attorneys, judges, law clerks, law students and the public.

In the afternoon we will hear from Barbara Bintliff, Director of the Law Library and the Nicholas Rosenbaum Professor of Law at the University of Colorado Law School on how to effect change in the workplace.

Additionally, Darcy Kirk, AALL Secretary and Associate Dean for Library & Technology and Professor of Law at the University of Connecticut, will provide an update on what is happening at AALL.
